OFFICE MEMORANDUM

To: Capt. W. P. Gannaway

November 28, 1963

Subject: F. B. I. Agents
Seeking Information

Sir:

On this date between 5:30 PM and 6:00PM two F. B. I. Agents entered this Office and identified themselves to me. They asked what information we had in our files on a Johnnie Nolan W/M. This subj. was supposed to own the Star Bar, 4311 Bryan Street and the Palomino Bar, 4905 Bryan Street. The only information that I was able to give them was what was on the Liquor Location sheets in the Liquor File. That information was that the Beer License at both locations was in the name of Wanda June Nolan, 1218 N. Clinton. The F. B. I. Agents stated that Nolan no longer lived at this address. The F. B. I. Agents stated that they could not find out who owned these Bars and asked me if I would call the Star Bar and see if I could find out who owned it. I did as they asked. I called the Star Bar and identified myself and asked who owned this Bar. I was told by a Bar Maid that a Mr. and Mrs. J. B. Mitchell owned this Bar. I was also told that they lived in Oak Cliff but that the Bar Maid did not know where and did not know their phone number. The Bar Maid stated that the Mitchell's had owned the Bar for about 1 and 1/2 years. This was the only information that I gave the Agents.

The Agent who did most of the talking was named Kenneth Albert. He was from Tyler, Texas. I do not remember the other Agents name but He was from Houston, Texas.

Respectfully Submitted

Det. W. Guy Hilliard #1488
